

(artwork by Roxanne Glaser)

Join us for a fun-filled relaxing afternoon of playing on a journal page. Think doodling, zentangles and casual calligraphy.

This is a workshop for all skill levels from "never done this before" to "old hand at this, but need some art therapy".

With a minimum of supplies, you can create an exciting page for your sketch book. We will cover ways to add this page to your existing sketch book if you would like to.
